

CLEANING SOLUTIONS

Evelino Concentrated Natural Stone Shampoo (pH-Neutral Daily Cleaner)

PRODUCT OVERVIEW

Most everyday floor cleaners are either too harsh for natural stone or leave a dull residue behind. This is a pH-neutral concentrate made specifically for marble, granite, travertine and polished vitrified floors — no acids, no abrasives, just enough surfactant to lift everyday dirt and grease without touching the stone's factory gloss or any sealer you've already applied. A capful in a bucket goes a long way.
