ISSUE: SEPTEMBER 2026 | VERSION 2.1

TILES SOLUTIONS

Evelino Tile Adhesive C1 White – Type 1T (Non-Staining Glass Mosaic & Marble)

PRODUCT OVERVIEW

Grey adhesive under a glass mosaic or a pale Italian marble tends to show through as a dull shadow or a dark edge — this is the white-cement version made to avoid that. It's the same C1-grade performance as our grey adhesive, just formulated with pure white cement so it doesn't discolour light or translucent tiles, and it holds tiles in place on vertical surfaces without slipping while it cures.

KEY FEATURES & PERFORMANCE ADVANTAGES

- Pure white cement — no grey shadow bleeding through translucent tile
- Avoids the dark "picture-framing" edge that grey adhesive leaves under light tiles
- Polymer-modified for good grip on smooth, large-format wall tiles
- Meets IS 15477:2019 Type 1T and EN 12004 C1T
- Anti-slip on walls, so tiles hold their position while setting
- Suited to glass mosaic, white marble, limestone and off-white ceramic

TECHNICAL SPECIFICATIONS & PERFORMANCE DATA

PARAMETER / PROPERTY	SPECIFICATION / VALUE
Packaging / Pack Size	20 kg Standard Bag
Estimated Coverage	Approx. 50–60 sq.ft per 20kg bag using a 6mm × 6mm notched trowel
Color / Appearance	White
Open Time	20–25 minutes
Application Temperature	+5°C to +35°C
Shelf Life / Storage	12 months from manufacture date in original dry packaging

APPLICATION GUIDELINES & SITE PRECAUTIONS

SURFACE PREPARATION & MIXING

Substrate must be structurally sound, dry, flat, and free of laitance, oil, grease, or loose debris. Mix thoroughly according to product technical directions. Use clean tools and potable water or hardener as specified.

STORAGE & ENVIRONMENTAL CONDITIONS

Apply in ambient temperatures between +5°C and +35°C. Avoid direct harsh sunlight and rain during application and initial cure. Store in original sealed containers in a cool, dry place off concrete floors.

HEALTH & OCCUPATIONAL SAFETY

Wear suitable protective gloves, safety goggles, and respiratory masks during mixing and application. In case of contact with eyes or skin, wash immediately with plenty of clean water and seek medical advice.

Disclaimer: The technical recommendations and application instructions provided are based on our present state of scientific and practical knowledge. Since site conditions, substrate quality, and workmanship are beyond our direct control, the user must test the suitability of the product for the intended application. Evelino Technology reserves the right to modify specifications without prior notice.
