ISSUE: SEPTEMBER 2026 | VERSION 2.1

TILES SOLUTIONS

Evelino Tile Adhesive C2 White – Type 2T (Vitrified & Marble Wet Area Adhesive)

PRODUCT OVERVIEW

This is our C2 adhesive with a white-cement base, for jobs that need both the higher bond strength of C2 grade and the colour protection of white cement — typically Italian marble or glass mosaic going into a bathroom, pool, or fountain. Same waterproof, high-bond formula as our grey C2, just without the risk of grey staining through light-coloured stone.

KEY FEATURES & PERFORMANCE ADVANTAGES

- Meets IS 15477:2019 Type 2T and EN 12004 C2T
- Waterproof, rated for bathrooms, pools and fountains
- Anti-sag, holds tile position on vertical wet-area walls
- White synthetic resin base — no staining or shadowing under light stone
- Tensile adhesion of e 1.0 N/mm² for heavy marble slabs
- Handles large formats — tiles and slabs up to 120×60 cm

TECHNICAL SPECIFICATIONS & PERFORMANCE DATA

PARAMETER / PROPERTY	SPECIFICATION / VALUE
Packaging / Pack Size	20 kg Standard Bag
Estimated Coverage	Approx. 50–60 sq.ft per 20kg bag at 3mm applied bed thickness
Tensile Adhesion Strength	e 1.0N/mm² (C2 Grade)
Color / Appearance	White
Open Time	25–30 minutes
Shelf Life / Storage	12 months from packing date in original dry storage

APPLICATION GUIDELINES & SITE PRECAUTIONS

SURFACE PREPARATION & MIXING

Substrate must be structurally sound, dry, flat, and free of laitance, oil, grease, or loose debris. Mix thoroughly according to product technical directions. Use clean tools and potable water or hardener as specified.

STORAGE & ENVIRONMENTAL CONDITIONS

Apply in ambient temperatures between +5°C and +35°C. Avoid direct harsh sunlight and rain during application and initial cure. Store in original sealed containers in a cool, dry place off concrete floors.

HEALTH & OCCUPATIONAL SAFETY

Wear suitable protective gloves, safety goggles, and respiratory masks during mixing and application. In case of contact with eyes or skin, wash immediately with plenty of clean water and seek medical advice.

Disclaimer: The technical recommendations and application instructions provided are based on our present state of scientific and practical knowledge. Since site conditions, substrate quality, and workmanship are beyond our direct control, the user must test the suitability of the product for the intended application. Evelino Technology reserves the right to modify specifications without prior notice.
