EVELINO

BONDS THAT LAST, SHINE THAT SURPASS

TECHNICAL DATA SHEET

REF: TDS-EVL-TILE-ADHESIVE
ISSUE: SEPTEMBER 2026 | VERSION 2.1

TILES SOLUTIONS

Evelino Multipurpose Tile Adhesive (Standard Interior Grey Cement Glue)

PRODUCT OVERVIEW

This is our everyday adhesive for standard interior tiling — ceramic, terracotta, clay, regular quarry tiles — where you don't need C1 or C2-grade specs, just a dependable bond at a reasonable price. It's polymer-modified for better flexibility than plain sand-cement mortar, grabs tiles quickly on walls, and works on the usual residential substrates: concrete, plaster, cement render.

KEY FEATURES & PERFORMANCE ADVANTAGES

- Meets IS 15477:2019 Type 1
- High wet-grab speeds up wall installation
- Works on concrete, plaster and cement render
- Polymer-modified for better flexibility than sand-cement mortar
- Non-slip, so tiles hold position before the adhesive sets
- Economical option for large residential floor areas

TECHNICAL SPECIFICATIONS & PERFORMANCE DATA

PARAMETER / PROPERTY	SPECIFICATION / VALUE
Packaging / Pack Size	20 kg Standard Bag
Estimated Coverage	Approx. 50–60 sq.ft per 20kg bag using a 6mm × 6mm notched trowel
Open Time	20 minutes
Application Temperature	+5°C to +35°C
Shelf Life / Storage	12 months from manufacture date in original dry packaging

APPLICATION GUIDELINES & SITE PRECAUTIONS

SURFACE PREPARATION & MIXING

Substrate must be structurally sound, dry, flat, and free of laitance, oil, grease, or loose debris. Mix thoroughly according to product technical directions. Use clean tools and potable water or hardener as specified.

STORAGE & ENVIRONMENTAL CONDITIONS

Apply in ambient temperatures between +5°C and +35°C. Avoid direct harsh sunlight and rain during application and initial cure. Store in original sealed containers in a cool, dry place off concrete floors.

HEALTH & OCCUPATIONAL SAFETY

Wear suitable protective gloves, safety goggles, and respiratory masks during mixing and application. In case of contact with eyes or skin, wash immediately with plenty of clean water and seek medical advice.

Disclaimer: The technical recommendations and application instructions provided are based on our present state of scientific and practical knowledge. Since site conditions, substrate quality, and workmanship are beyond our direct control, the user must test the suitability of the product for the intended application. Evelino Technology reserves the right to modify specifications without prior notice.
