

FLOOR POLISH SOLUTIONS

Evelino Thixotropic Vinyl Epoxy Gel – 1kg Kit (2:1 Mix Ratio)

PRODUCT OVERVIEW

This is the same formula as our 10kg Vinyl Epoxy Gel, just in a smaller kit — handy for spot repairs, one-off jobs, or trying the product before committing to a bigger pack. Same knife-grade consistency, same near-zero-shrinkage cure, same tintable finish for repairs that don't stand out on marble, granite or travertine.

KEY FEATURES & PERFORMANCE ADVANTAGES

- Full-strength formula in a compact 1kg kit for small jobs and sampling
- Minimal shrinkage keeps joints tight and stops repaired cracks reopening
- Chemical-curing epoxy for a load-bearing joint once set
- Non-sag on vertical surfaces — won't run or drip mid-repair
- Can be tinted to match the stone you're working on
- Simple 2:1 mix — no special mixing gear required

TECHNICAL SPECIFICATIONS & PERFORMANCE DATA

PARAMETER / PROPERTY	SPECIFICATION / VALUE
Packaging / Pack Size	1 kg Kit (Part A Resin + Part B Hardener)
Estimated Coverage	Varies with joint width; approx. 1.2 kg per sq.m per mm of depth
Mixing Ratio (A : B)	2:1 (Part A Resin : Part B Hardener)
Pot Life / Work Time	30–45 minutes at 25°C
Full Cure Time	24–48 hours at room temperature
Shelf Life / Storage	24 months stored under standard dry conditions

APPLICATION GUIDELINES & SITE PRECAUTIONS

SURFACE PREPARATION & MIXING

Substrate must be structurally sound, dry, flat, and free of laitance, oil, grease, or loose debris. Mix thoroughly according to product technical directions. Use clean tools and potable water or hardener as specified.

STORAGE & ENVIRONMENTAL CONDITIONS

Apply in ambient temperatures between +5°C and +35°C. Avoid direct harsh sunlight and rain during application and initial cure. Store in original sealed containers in a cool, dry place off concrete floors.

HEALTH & OCCUPATIONAL SAFETY

Wear suitable protective gloves, safety goggles, and respiratory masks during mixing and application. In case of contact with eyes or skin, wash immediately with plenty of clean water and seek medical advice.
